

# The Workforce Add-On

A package focused on events and services for members looking to **grow their business**, better **develop their workforce**, and gain access to **insights and strategic consultancy for their business**.

## Enhanced Online Directory Listing

Enhance your online directory listing with social media links, a rich text editor, and embeddable images and videos.

## Workforce Consultation

Workforce Members can consult with the Chamber's Head of Workforce and Talent Development to further the goals of your business, identify solutions, and strategize on next steps.

## Access to Our Network of Employers

Gain access to key decision makers in our network and the opportunity to engage with individual business and nationwide workforce organizations.

## Access to Hand-Selected Interns

The Chamber will work closely with your business to hand select interns from local universities, high schools, and nonprofits to maximize the experience for both the intern and your business.

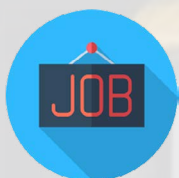

## Recruitment Amplification

We'll promote select employment campaigns and events, including job listings, job fairs, recruiting events, and more.

## Conference Room Rental

Once per year, Workforce Members can utilize our brand-new and hybrid-capable conference room for workshops, webinars, or events.

## Job Fair Presence

Each year, the Chamber hosts several job fairs. Workforce Members obtain a significant presence at one fair, including speaking/presenting opportunities.

The Workforce Add-On can be added to your Standard Package for only \$1,500. **Contact us at [info@sichamber.com](mailto:info@sichamber.com) to learn more and join us.**

The Chamber supports all small businesses in our ventures as we **support our families and the families of our employees.**
